The rich history of the **Chambersburg Country Club** dates back over 90 years to its founding in 1921. Nestled in the rolling hills of Scotland, PA on the banks of the Conococheague Creek, the Club has become Franklin County's premier private club, offering something for everyone and every member of an active family. The Club features a championship 18 hole golf course, a versatile and spacious clubhouse, and wonderful pool and racket sport facilities. Whatever your preference, the Chambersburg Country Club provides what you are seeking.

The golf course at Chambersburg Country Club has been recognized as one of the finest and most challenging in Pennsylvania. The Club has hosted numerous state and local championships, including three USGA U.S. Open qualifying events. With six sets of tees, the course accommodates players of all skill levels. Golf facilities also include a nationally recognized, award-winning pro shop, putting green, spacious grass practice range and a dedicated short game area. The 25,000 square foot clubhouse offers excellent dining, a quaint pub with full service bar, versatile meeting and banquet rooms, and spacious men's and women's locker rooms and lounges. The Club's large, main and separate wading pools offer a great place for the whole family to enjoy a cool dip in the heat of summer, while a snack bar provides light meals and refreshments to the poolside crowd during the day. Racket sport enthusiasts enjoy some of the best playing conditions available in the area on our hard surface tennis courts and four pickleball courts, all lighted for evening play.

The Club is constantly striving to upgrade its facilities and improve member services. Today's Chambersburg Country Club is a quietly elegant retreat where you'll find plenty of camaraderie, competition, relaxation, and family fun with a level of personal service that is second to none in the area. We offer a variety of membership plans and categories designed to meet the specific needs of all individuals, families and businesses.
